Clan/Society Representative Responsibilities

All Clan Society representatives must check in upon arrival at the Museum Office to purchase tickets and receive instructions before proceeding to the Gathering Site. Set up is Friday, November 11 during the hours of 8am to 5 pm. Vehicles will not be allowed to enter the Gathering site after this designated time.

SMCP will determine the location of each Clan tent. On arrival you or your representative must check in with a SMCP representative for site assignment. It is your responsibility to set up within the boundaries of that site. You will be asked to move if you are in the wrong site or if you "spill over" the boundaries of the site. The Museum office will direct you to the Grounds Chairman.

Your tent must be contained in the rented space (12x12) including tent supports, wires and stakes, etc. You are responsible for your own tents, tables, chairs, and any other equipment. There is no electricity provided.

Please do not cause any loud distractions. Loud noise, i.e., music recordings, barker announcements that interfere with the judging and contestants is not permissible. Children and adults accompanying you must comply with these noise limitations. There will be no unattached children as it may prove to be dangerous.

Please do not litter. Any trash you have is your responsibility to clean up before you leave! Trash cans will be provided around the area for visitor's usage and dumpster for clan representatives.

No vehicle parking will be allowed at or near your tent.

It is very important all these rules be observed. We appreciate your cooperation.

Make a copy of this page for your records. Sign and date below and return to the museum. *Questions? Call Michele at (254) 947-5232.*

I have read the above regulations and agree to abide by such.
